

# TRUCK AND EQUIPMENT POST DEALER SPOTLIGHT – E.W. SLEEPER

## HISTORY & EXPERIENCE - Over 50 years experience!

E.W. Sleeper has been supplying contractors and municipalities with quality construction equipment since 1964. They specialize in the sale of construction equipment, attachments, snow and ice equipment, equipment trailers and other contractor supplies and machinery. E.W. Sleeper carries construction equipment from top manufacturers including Yanmar, Kawasaki, MultiOne, Vibroscreen, also snow equipment including Fisher, HiWay, ProTech, snowplows, salt spreaders, snow pushers, Etnyre Trailers, Rogers, Bri-Mar, Felling Trailers and more. They can help with all your equipment needs from snow plows to heavy equipment as well as the trailers and attachments to go with them.

Being a full service equipment dealer, E.W. Sleeper has a full Service Department and Parts Department staffed by expert technicians. They also provide equipment rentals including construction machinery and contractors' supplies from air compressors to excavators.

For all your equipment needs, call E.W. Sleeper.
