

TRUCK AND EQUIPMENT POST DEALER SPOTLIGHT – MORIN DIESEL FORESTRY

HISTORY & EXPERIENCE - A Lifetime In The Business

Morin Diesel Forestry was founded in 2003 by Jesse Morin whose experience started much earlier. He grew up working in his family's land clearing business maintaining a large fleet of trucks and heavy equipment. Jesse developed a strong work ethic and expertise in forestry equipment and commercial trucks that helped him succeed with specialized forestry equipment sales and repairs. Morin Diesel Forestry carries a great selection of forestry equipment including mowers, brush cutters, harvesters and attachments. They carry top brands including Denis Cimaf, Barko, Diamond Mowers and more. From rentals, sales, repairs and hauling, Morin Diesel Forestry can help with all your forestry equipment needs.
