

# TRUCK AND EQUIPMENT POST DEALER SPOTLIGHT – CAMEROTA TRUCK PARTS

## HISTORY & EXPERIENCE - Over 60 Years Experience & 8 Locations!

**Camerota Truck Parts** was founded in 1960 and has become a leader in the truck drivetrain industry. They have 8 state-of-the-art facilities throughout the Northeast. They have a huge inventory of new & remanufactured transmissions, differentials, transfer cases, driveshafts, steering gears, electronics and other truck parts. They stock OEM parts for light duty to heavy duty trucks, including Ford, DANA, Meritor, Mack & other major brands. Their inventory includes over 20,000 drivetrain part numbers, aftermarket parts, off-highway parts, 4WD axles & more. They also provide online ordering. With their expertise and extensive inventory, Camerota can help reduce your down time. Camerota Truck Parts provides a warranty on all reman products. For your truck part needs, call or visit Camerota Truck Parts.
