

TRUCK AND EQUIPMENT POST DEALER SPOTLIGHT – WOODCO MACHINERY

HISTORY & EXPERIENCE – Over 50 Years Experience

Woodco Machinery's experience in the construction industry traces back to 1964, when Bob Benard began selling construction equipment and services. With a strong knowledge of heavy equipment needs, Mr. Benard started stocking Clark Michigan wheel loaders in 1974. A decade later, Volvo purchased Clark Michigan starting a long relationship between Volvo and the Benard family. As their success & growth continued, they founded Woodco Machinery in 1997. They now have 3 convenient locations in MA & RI and carry top brands of construction equipment, road building equipment, material handling equipment, compact equipment and more.

Woodco Machinery, an authorized Volvo heavy equipment dealer, has added additional product lines including ASV, Yanmar, Mauldin Paving, SDLG Wheel Loaders, Fuchs Material Handlers, Astec & more. They carry a great selection of heavy equipment including excavators, compactors, loaders, skidsteers, pavers, off-highway trucks, attachments, parts & more. They pride themselves in their strong customer service and ability to find the correct heavy equipment for specific needs. Woodco Machinery provides parts, service, rentals, leasing and financing. With their expertise, Woodco Machinery is a top choice for your construction equipment, paving equipment, earth moving and other heavy equipment & attachment needs.
