

HILLVIEW EQUIPMENT

SALES & RENTALS 24/7

HISTORY & EXPERIENCE - Family Owned & Operated Since 1990!

Hillview Equipment, founded in 1990, is a family owned and operated business that is a premier construction equipment dealer for heavy equipment sales and rentals. They sell heavy equipment locally and import and export construction equipment worldwide. Hillview Equipment carries an extensive inventory with over 100 machines in stock as well as attachments and equipment parts. They are proud to be New England's largest used Lull Forklift dealer. Hillview Equipment is a specialist in long reach boom packages for excavators.

Hillview Equipment also provides heavy equipment rentals in New England. Their rental fleet is extensive including hammers, telehandlers, screeners, compactors and more. They offer competitive prices for a weekly or monthly basis.

Hillview Equipment strives to satisfy customers with quality heavy equipment, excellent customer service, and an array of services including financing, transportation, exporting and more. For heavy equipment expertise and a great selection of used construction equipment, call or visit Hillview Equipment.
