

TRUCK AND EQUIPMENT POST DEALER SPOTLIGHT –
ALLEGIANCE TRUCKS - LIBERTY INTERNATIONAL TRUCKS

ALLEGIANCE
— TRUCKS® —

HISTORY & EXPERIENCE- International Truck Sales Since 1972

Liberty International Trucks was founded in 1972 when International Harvester opened a new factory truck branch in Manchester, NH. Specializing in International Truck Sales for 50 years, the dealership has grown its team, product lines and services. They opened a second location with a state-of-the-art facility in Barrington, NH. They carry a great selection of new and used commercial trucks, truck bodies, trailers and truck parts. They have an expert staff of truck professionals for sales, parts, service and financing. Many of their truck specialists have been on the team for over 30 years.

Liberty International became a proud member of the **Allegiance Trucks** family of dealerships in 2020. They have the same great staff you've come to know and love! Being part of the Allegiance network gives them access to an extensive inventory of new and used commercial trucks. It also gives their customers the opportunity to receive great service and parts anywhere in the Northeast. When you visit one of the 19 Allegiance stores, you will be treated as if you purchased your truck there. For a great selection of commercial trucks and expert service, call or visit **Allegiance Trucks – Liberty International**.
