SALES & RENTALS 24/7

HISTORY & EXPERIENCE - Family Owned & Operated Since 1990!

Hillview Equipment, founded in 1990, is a family owned and operated business that is a premier construction equipment dealer for heavy equipment sales and rentals. They supply heavy equipment locally and also export worldwide. They have an extensive inventory with over 100 machines in stock including excavators, telescopic forklifts, wheel loaders, attachments, water trucks, crawler carriers and more. They also sell dismantled machines and equipment parts including CAT & Cummins engines, axles, transmissions and more. Hillview Equipment is a specialist in excavator long reach boom packages. They are New England's largest used Lull dealer.

Hillview Equipment also provides heavy equipment rentals in New England. Their rental fleet is extensive including long reach excavators, backhoe loaders, dozers, screeners, mini excavators, telehandlers, hammers, grapples and more. They offer competitive prices for a weekly or monthly basis. They carry a great variety of heavy equipment brands for sales and rentals including Lull forklifts, Caterpillar, Terex, Komatsu, IHI, Moxy, Volvo and others.

Hillview Equipment strives to satisfy customers with quality heavy equipment, excellent customer service and an array of services including financing, transportation, exporting, repairs and more. For experience, expertise and a great selection of used construction equipment and other used heavy equipment, call or visit Hillview Equipment.
