HISTORY & EXPERIENCE - Almost 100 Years Experience!

Chadwick-BaRoss was founded as the Portland Tractor Company in 1929 and specialized in crawlers & wheel loaders. In 1959, Robert BaRoss and Richard Chadwick purchased the company continuing to serve the heavy equipment industry with quality products and superior customer service. Their legacy continues with their strong dedication to employees, including many that have been on the team over 20 years! With almost 100 years in business, the company has grown, added product lines and has expanded to 10 locations in ME, MA, NH & RI. They continue to learn and practice the latest advances in equipment and can help provide the best solutions for your business including fleet management, telematics, machine automation & more. Chadwick-BaRoss strives to make you Unstoppable!

Chadwick-BaRoss is one of the largest multi-line heavy equipment dealers in New England. They are a leader in sales, rental and service of construction, forestry, industrial, municipal & recycling equipment. Chadwick-BaRoss represents top construction equipment brands including Volvo, Takeuchi, Link-Belt and others. They carry recycling equipment including Ramvac Hydroexcavators, Moongoose Jetters and more. They carry all types of heavy equipment and attachments including excavators, wheel loaders, skidsteers, forestry equipment and more! With a large inventory, parts, rentals & service, Chadwick-BaRoss can help fulfill all your heavy equipment needs. Call or visit your local branch today!
