

TRUCK AND EQUIPMENT POST DEALER SPOTLIGHT – T-QUIP SALES & RENTALS

HISTORY & EXPERIENCE- Family Owned & Operated for Over 20 Years!

T-QUIP SALES & RENTALS, a family owned & operated heavy equipment dealer, was founded in 1995. With over 20 years experience and an incredible inventory of used construction equipment, attachments and commercial trucks, T-QUIP has become one of the largest used equipment dealers in the country. Headquartered in New Hampshire, they also have locations in RI and FL to efficiently serve the East Coast.

T-QUIP stocks over 500 pieces of equipment as well as 100's of attachments including skid steers, backhoes, excavators, hammers, buckets and more. Their impressive inventory includes used heavy equipment by the major manufacturers including CAT, John Deere, JCB, Volvo, Dynapac, Komatsu and others. For used construction equipment purchases or heavy equipment rentals, the experts at T-QUIP Sales & Rentals can help with your specific needs.
