

TRUCK AND EQUIPMENT POST DEALER SPOTLIGHT – BEAM TRUCK & BODY

HISTORY & EXPERIENCE - Over 50 Years in Business!

Beam Truck's experience in the disposal industry began when Rod Timpany was in High School working a rubbish route in a 1949 Ford F-400 dump truck. In 1965, Beam Truck & Body was established and has become a leader in sales, customization and service of heavy hauling and disposal equipment. They provide industry applications for municipalities and businesses including residential trash, landscapers, commercial waste, construction and industrial. They specialize in Roll-Off units, Hook-Lift trucks, Rear, Side and Front Loader Trash Trucks.

Beam Truck & Body carries a wide selection of new, used and reconditioned disposal equipment and related truck parts. With their expert customization, they can build the perfect truck for your specific needs. Conveniently located in Woonsocket, RI, they are easily accessible from Boston, Providence & Worcester. With their expertise, inventory, service and fabrication capabilities, Beam Truck & Body can help with your disposal truck needs.
