

TRUCK AND EQUIPMENT POST DEALER SPOTLIGHT – NORTHLAND JCB

HISTORY & EXPERIENCE - Over 40 years experience!

Northland JCB, a division of NITCO, a material handling solutions company, has been serving New England since 1969. Northland JCB is an award-winning dealer of new and used construction equipment specializing in JCB heavy equipment. They provide sales, rentals, service and parts for new and used JCB equipment and other construction equipment and material handling equipment including skidsteers, excavators, loaders, forklifts, equipment attachments and more.

Northland JCB's mission of providing the highest quality new and used construction equipment and extraordinary customer service has promoted their success and growth. Previously named "Best Dealer" by JCB, Northland JCB also carries other quality brands including Vibroscreen, Felling Trailers, Paladin Attachments, Avant and more. For your heavy equipment sales, rentals, parts and service, visit one of Northland JCB's five locations in MA, NH, and ME.
