

## **The N.I.C.E. Company**

**Northeast International Construction Equipment Company**  
**Equipment Sales & Rentals**

### **HISTORY & EXPERIENCE - Over 25 Years Experience!**

The N.I.C.E. Company, or Northeast International Construction Equipment Company, has over 25 years experience in the heavy equipment industry. They specialize in construction equipment sales and rentals and also buy used heavy equipment. The N.I.C.E. Company carries “nice” late model, high quality construction equipment at very competitive prices.

The N.I.C.E. Company carries a large variety of construction equipment including excavators, backhoes, skid steers, dozers, loaders, aggregate equipment, trucks, trailers and more! Their inventory contains used heavy equipment by CAT, Volvo, Komatsu, Hyundai, Bobcat, Terex and others. They wholesale & retail used construction equipment and have customers and suppliers worldwide. Whether you’re looking to purchase or rent quality pre-owned machines for your business, call or visit The N.I.C.E. Company for a truly “nice” experience!
