

TRUCK AND EQUIPMENT POST DEALER SPOTLIGHT – BEAM TRUCK & BODY

BEAM TRUCK & BODY INC.
RI Dealer #647
433 CUMBERLAND HILL ROAD, WOONSOCKET, RI 02895
401-767-2639
NEW - USED & RECONDITIONED DISPOSAL EQUIPMENT

HISTORY & EXPERIENCE - Over 50 Years Of Experience!

Beam Truck's experience in the disposal industry began when Rod Timpany was in High School working a rubbish route in a 1949 Ford F-400 dump truck. In 1964, Rod purchased the company and by 1970 had developed specialized services for disposal trucks and refuse equipment including installing rubbish bodies, roll-offs and repairs.

Beam Truck carries a wide selection of new, used and reconditioned disposal equipment and used truck parts. They specialize in packer bodies, roll-off hoists, hook-lift systems, covering systems and more. Beam collaborates with several new truck dealerships and builds spec trucks with roll-off hoists and hook-lifts to stock. Conveniently located in Woonsocket, RI, they are easily accessible from Boston, Providence & Worcester. With their expertise, inventory, service and fabrication capabilities, Beam Truck & Body can help with your disposal truck needs.
