

TRUCK AND EQUIPMENT POST DEALER SPOTLIGHT – WOODCO MACHINERY

Woburn, MA
Avon, MA
Johnston, RI

HISTORY & EXPERIENCE – Over 50 Years Experience

Woodco Machinery's experience in the construction industry traces back to 1964, when Bob Benard began selling construction equipment and services. With a strong knowledge of heavy equipment needs, Mr. Benard started stocking Clark Michigan wheel loaders in 1974. A decade later, Volvo purchased Clark Michigan starting a long relationship between Volvo and the Benard family. As their success & growth continued, they founded Woodco Machinery in 1997.

Woodco Machinery, an authorized Volvo heavy equipment dealer, sells, rents & services new and used equipment, attachments & equipment parts. Over the years, they have added additional product lines including ASV, Yanmar, Mauldin Paving, SDLG Wheel Loaders, Fuchs Material Handlers & more. They carry a great selection of heavy equipment including backhoes, excavators, compactors, off-highway trucks & more. They pride themselves in their strong customer service and ability to find the correct heavy equipment for specific needs. Woodco Machinery provides parts, service, rentals and financing. With their expertise, inventory and three convenient locations in MA & RI, Woodco Machinery is a top choice for your heavy equipment needs.
