AUTO INDUSTRY BUSINESS OPPORTUNITY

An excellent opportunity is available to acquire a successful and well-established business in the automotive industry that provides a comprehensive line of global brand tire and wheel supplies and tools for every application. The distributor's customers in Central and Western Massachusetts and the Northern Connecticut territory are served by two fuel efficient, walk-thru, shelved and lighted vans containing inventory.

The existing inventory level and continued involvement on the part of the seller during the seamless transition, ensures this turnkey business continues to provide its customers with the high-quality service they are accustomed to.

The manufacturer provides training online and at its training center on all facets of being a Distributor.
