## COME JOIN US!!!

We are the Rockbusters Chapter of the Historical Construction Equipment Association and we cordially invite you to join us. We meet six to eight times per year usually at a member's home or shop. By moving around New England, we can see what our fellow members have for "toys" as well as their everyday equipment. You will receive *Rockbuster News*, our Chapter Newsletter which announces where the next meeting will be held, what our members are up to and articles of historical interest. We also publish classified ads free to members and an annual schedule of events listing truck and tractor shows of interest to our members.

Meetings are usually held on a Sunday with a "show and tell" session with photo albums, old literature, toys, and other items of interest. Technical problems and questions about where to find obsolete machines or parts have been answered at our meetings. The best part is the people you meet!!!

There are no requirements to own or operate equipment to join us. All you need is your interest. Our dues are \$20.00 per calendar year. Simply mail this page with payment made out to "Northeast Rockbusters" to the address listed above.

For you to be a member of the Northeast Rockbusters Chapter, HCEA bylaws require that you also be an HCEA member. Membership in the HCEA brings you the magazine "*Equipment Echoes*", which is published quarterly and entitles you to attend the HCEA International Convention, a show like you have never seen!!! Displays just don't park; they are out digging and working. Hear the sounds, see the sights, smell the smells with fellow old iron enthusiasts. HCEA dues are \$32.00 per year and can be paid together with the Rockbuster Chapter dues.

*Thank You! We hope you will enjoy having fun with us!!*

Please make checks payable to "Northeast Rockbusters"
