McDevitt Trucks & Western Star Glider Kits Where “Old Becomes New” Again

THE NEXT BEST THING TO A NEW TRUCK!

A Western Star Glider provides almost everything a new truck offers except for the price and big monthly payments! IF your current rig is old and tired but has reliable “donor” components, let us install them into a new Glider! OR, exchange the donor components for a factory-remanufactured components, and enjoy a drive train with factory authorized warranties and complete peace of mind!

2015 WS 4900EX GK5447

**Unlike a Used Truck, Every
Factory Installed Component on
a Western Star Glider is Covered
by Western Star’s New Truck
Warranty!**

1 Year / 100,000 Miles on the basic vehicle,
including 100% parts and labor
3 years / 300,000 miles on the cab structure
6 Years / 750,000 miles on the frame
and cross members.

Remanufactured components have
manufacturers’ warranties

IS Zero Turn Mowers allows each wheel to move up and down independently smoothing out uneven turf. The deck of the mower works in conjunction with the suspension system to provide a consistent cut. This virtually eliminates shock to the chassis, resulting in superior operator comfort, increased mowing speeds, stability and extended mower life.
