L & K is a bonded New Hampshire used truck dealer with dealer and transfer plates. We currently employ 5 shop guys and one general manager in addition to myself and my wife. We specialize in mounting new and used vans, reefer and refrigerated truck bodies. Last year we mounted over 150! We also install refrigeration units, tailgates, liftgates, and flatbeds and do chassis alterations. We are also well known for our ability to refurbish used and damaged truck bodies. Other current assets of the company include company cars (2004 Pontiac, 2009 Chevy Malibu, 2006 F-250 Pick-Up truck with plow), Ford Front End loader, 6 forklifts (1 x 18000lbs, 2 x 15000lbs and 3 x 5000lbs) all in working order, approximately 50 used diesel powered Thermo-king and Carrier refrigeration units as well as approximately 200 used truck bodies and a selection of about 40 new truck bodies (dry freight and reefers) 12' – 26' in stock on our lot. We are currently the only dealer in the country to stock new refrigerated truck bodies ready to mount.

Current franchises we distribute for include Mickey, Kidron, Duramag dry freight and refrigerated truck bodies, Rugby rack bodies, Maxon, Waltco, Tommy Gate, Palfinger and Theiman liftgates, Thermo-king and Carrier refrigeration. We also are a Ryder truck consignment dealer.
