## **PAYMENTS AS LOW AS \$99 A MONTH\***

**THE SNOW LEASE IS BACK**. JCB wheel loaders and skid steers are ideal for snow removal, but you don't stop working when the snow melts. Keep your machine. Make higher lease payments in the winter while you're turning cold wet snow into cold hard cash. Keep your machine working year round with lowered payments the other 7 months of the year, just \$99 a month for skid steers.

\*All applications are subject to credit review and approval. Security deposit may be required based on applicant's credit. Five (5) "ON-SEASON" (November - March) increased payments and seven (7) "OFF-SEASON" (April - October) reduced payments per year based on 5-year/5,000 hour lease terms. First payment due in advance and must be an "ON-SEASON" payment. Minimum "OFF-SEASON" payment is \$99 + applicable taxes. Offer valid only on specific models. Offer may change without prior notice, and additional terms and conditions may apply. Call for complete details.
