Now is the time to take advantage of 2015 Small Business tax incentives! As a business owner, when you purchase or finance eligible equipment, such as a new or used truck, and put it into service by the end of the day December 31, 2015, you can elect to recover all or part of the cost, up to \$25,000.00, by deducting it on your 2015 tax return rather than recovering the cost over several years with depreciation deductions. Consult your tax advisor and accountant for specific qualification details.
