SEASONAL CHECKLIST

BRAKES-

When Checking over your braking system, look for signs of cracks, wear, and glazing.

GEAR OILS-

Gear oil is recommended to be changed once a year or every 50,000 miles. If your not sure, these are things that will indicate the need of a change. Check for water in the oil, as well as metal flakes or if the oil is blackened.

ALIGNMENTS-

Its been a terrible year for pot-holes and frost heaves. It's a good time to have your front end checked (king pins, tie-rod ends, springs, pins and bushings) and aligned. Rear axles should have the U-bolts re-torqued or checked, the torque rods should be checked for worn bushings and the axle housing checked for cracks and then aligned.

JOSAM LASER ALIGNMENT:

- Improves the life of your tires
- Increases Fuel Mileage
- Aids in Drivability
- Quality of tire may increase your bottom line
- Check out our tire prices!

**NOW THAT THE ELECTION IS OVER YOU HAVE ONE MORE CHOICE TO MAKE.....**

**SPEND ALL YOUR HARD-EARNED PROFITS ON TAXES, OR BUY NEW EQUIPMENT AND REDUCE YOUR TAX BURDEN!**

## THE CHOICE IS YOURS!

The U.S. Congress passed a Bonus Depreciation law last year that will run for the next several years. Under the package (Section 143 provision), Congress approved a bonus depreciation allowance for property acquired and placed in service in 2016 of 50% , allowable in the first year. Act now and purchase a new truck to take advantage of this opportunity. You may be able to depreciate half your acquisition to reduce your tax liability for 2016. You may also be able to take advantage of the Section 179 Deduction which allows for qualifying businesses a deduction on the first \$500,000 of new or used equipment purchased. \*

**WE HAVE A HUUUGE SELECTION OF NEW AND USED DUMP TRUCKS AND TRACTORS IN STOCK READY FOR IMMEDIATE DELIVERY!**

## BP-12000

12,000 LB Capacity  
Baseplate 2 Post Lift

The BP-12000 above ground lift has over sized columns, symmetric three stage arms, and single point lock release. This lift is perfect for those garages that want to lift heavier vehicles but have limited ceiling height.

**\$2995**

6 OTHER MODELS AVAILABLE

## PV-15P

15,000 LB Capacity  
Overhead 2 Post Lift

The PV-15P is a commercial grade lift designed to accommodate both long wheel base trucks and passenger cars. The extra distance between the symmetrical columns will allow the widest of vehicles to be lifted.

**\$3495**

13 OTHER MODELS AVAILABLE

## Elite 9K0H
