***SECTION 179 DEDUCTION IS NOW \$1,000,000 FOR 2023 ***

*** DON'T MISS THIS OPPORTUNITY ***

December 31st is fast approaching.. Did your accountant recommend that you start buying some equipment to take advantage of the Government Section 179 Tax Deduction of up to \$1,000,000+? Well, our General Manager, Joe Travers, recommended that we stock up on inventory to assist you and your business. And we did.. We even have Landscape Dumps and Box trucks ready to go right now (and more on the way in the next few weeks!). We also have a full array of chassis in most sizes and GVWs. If we don't have the body for you right now....not a problem, we can still get a deal put together for you by the deadline.
